July 9, 2013

Dear Kevin,

On behalf of the Children of the Zareinu Educational Centre and especially the members of the Zareinu Moveathon team, we would like to thank Links Corporation for your warehousing donation that helped us to provide our participants and attendees with an exceptional experience at the 16th Annual Zareinu Moveathon Festival and Ride for Kids with Special Needs.

The Zareinu Educational Centre provides advanced treatments for kids with special needs with the ambitious mission to improve the quality of life for each special child and their families. You have helped numerous children with Down syndrome, autism, cerebral palsy, neurological disorders and other physical or developmental disabilities to reach beyond their limitations.

We have received many great compliments from our riders, runners, festival attendees and volunteers about their fantastic experiences at the Festival which brought out thousands of people. This year over 200 riders joined us for the Zareinu Ride for Kids with Special Needs and rode over 13,000 km! Without the support of Links Corporation the Moveathon would not be the success it is today. Your contributions enhance the experience for all Zareinu Moveathon attendees and enrich the lives of children with special needs at the Zareinu.

Thank you again for your support toward this year's Zareinu Moveathon. We look forward to continuing our relationship with Links Corporation and, of course, having you take part again next year at the 17th Annual Zareinu Moveathon Festival, Sunday June 8th, 2014 and Zareinu Ride on Sunday June 22nd, 2014.

Sincerely,

Hershy Weinberg
Moveathon Chairperson
